We love this daughter of the over 105"TTT Cowboy Tuff Chex, out of an over 80"TTT daughter of JP Rio Grande makes her double bred JP Rio Grande, super genetics on top and bottom with names like VJ Tommie, and the over 100"TTT BL Rio Catchit. She has very nice markings with good color, wonderful conformation, and horns are pointing the right direction. We are excited about her future offspring with all those super genetics she brings
